What suggestions do you have for improving this course?

Comments
Provide more videos and documentaries about China, the readings were great but it was just mainly readings which gets boring sometimes. Overall the course was great.
more assignments
None, this was a fun and very interesting course, I wish the department would offer more classes based around Chinese Politics.... I mean its not like they are currently the number one economic power house in the world or anything

Please offer any additional comments and/or suggestions you wish to share about the course:

Comments
I really appreciated how flexible the professor was and like that there wasn't really busy work asked of us to do (like for example little worksheets here and there that are honestly time–consuming and annoying).
